Stop Suffering in Silence is a ministry dedicated to educating about trauma, and trafficking and empowering those on the healing journey. Healing is possible. Healing is beautiful. And healing happens in community.

Current Needs

- Prayer team members
- Granny's for the Granny Program
- Event planning team members
- Grant Writers
- A Retreat House

BRINGING HOPE WITH STOP SUFFERING IN SILENCE

Once a month, Rachel and her team of ladies visit Illicit Massage Businesses in our community, bringing the women Bags of Hope filled with gifts. These women need the help and deep love of their communities; many do not realize just how deeply entrenched they are in the world of trafficking, or that they are being trafficked at all. These Bags of Hope will make a difference in these women's lives. The Bags help Rachel and her team build relationships with these women and bring hope into a very dark situation. Rachel is asking for donations to help fund the purchase of gifts for the Bags of Hope. Each bag costs around \$10.

Would you consider helping with this Outreach?

3 ways you can donate...
